

New Jersey Board of Bar Examiners: July 2024 Successful Bar Exam Applicants

Of 1,038 applicants who sat for the New Jersey Uniform Bar Examination, 674 or 65% passed the exam. Of the 798 examinees who were first-time test takers, 606 or 76% passed the exam. Of the remaining 240 examinees who were repeat test-takers, 68 or 28% passed the exam.

Due to pending application requirements for a small number of applicants, results were sent to 1,029 of the 1,038 applicants. Of those who received results, 670 or 65% passed the exam.

Candidates who passed the examination must refer to their User Home Page for specific information from the New Jersey Board of Bar Examiners regarding their eligibility and related instructions for admission to the New Jersey bar. Please note that passing the examination does NOT automatically permit an individual to practice law in New Jersey. Each candidate is responsible to adhere to the provided instructions.
