

NEW JERSEY APPLICATION FOR ADMISSION BY MOTION

CERTIFICATION OF COURSE(S) ON NEW JERSEY ETHICS AND PROFESSIONALISM

Instructions

Following completion of page two of this form, the form should be uploaded along with the completed course certification from the course provider. Any questions regarding courses should be directed to bar.mailbox@njcourts.gov.

Requirements

All applicants for admission by motion to the New Jersey Bar must complete a minimum of 1.5 credit hours of coursework in New Jersey Ethics and Professionalism, which may be taken online. The course must have been taken **no more than 90 days** prior to submitting a completed initial application. Please note that general ethics courses, even if valid for continuing legal education ethics credit in New Jersey, do not meet this requirement. The courses **must** be specific to New Jersey ethics and professionalism.

If you wish to take a course that has not been pre-approved, complete the “Request for Course Approval” form on your User Home Page and upload to your User Home Page. You will be notified if the course is acceptable.

Applicants must upload a copy of the completed course certificate from the course provider in addition to this form. This form and certificate(s) are due within 60 days of submitting a complete initial application.

PLEASE NOTE: This requirement is in ADDITION to the MPRE/law school ethics course requirement. Neither the MPRE nor any course taken in law school can be used to fulfill this requirement. Courses taken toward meeting the pre-admission by motion requirement cannot be used to fulfill the Continuing Legal Education requirements in the event of admission to the New Jersey State Bar.
