

## New Jersey Board of Bar Examiners

### FINGERPRINT INSTRUCTIONS

---

The Supreme Court of New Jersey requires all New Jersey Bar applicants to be fingerprinted for each application. Prior fingerprint results are not acceptable.

**Do not initiate or complete fingerprinting until you receive your acknowledgement packet/letter and fingerprint instructions from the Board of Bar Examiners.**

In compliance with the requirements of the New Jersey State Police, as it will be further explained in your application acknowledgement packet/letter, all applicants must enroll/register online and pay an applicable enrollment/registration fee with **IdentoGO** by IDEMIA, New Jersey's contracted provider for secure, efficient fingerprint processing, regardless of whether fingerprints are collected via Live Scan (electronic) or manual ink & roll card processing. Special processing codes for this process will be included in the provided fingerprint instructions.

Thank you for your cooperation.
